

# SHOP HOP

**Put your shopping shoes on and let's go shopping!**

Following are the eligible shops in the State of Michigan and possible point earnings. For the shops in Michigan, have the Dealership stamp above their name to earn the points listed.

For all out of state shops, please use the blank squares or a separate sheet.

Get the Dealership stamp and earn 50 points for each out of state Dealership visited!

Contest runs from April 1st through October 1st. All sheets must be turned in to Chapter Director prior to the October Chapter Meeting. Chapter member with the most points will be awarded a prize at the October Chapter meeting. In the event of a tie a decision will be made by the toss of a coin.
